

HUMAN CONNECTION WEBINARS

CONNECT AUTHENTICALLY VIA TECHNOLOGY

In this 20-minute Ted-Style webinar plus 10-minute Q and A, Simone shares:

- The Science of Human Connection
- The tools for connecting better via technology and why they work
- 5 tech resources which work to connect us more authentically
- How to create a connection without meeting face-to-face

INSPIRING PEOPLE TO CONNECT IN A WORLD THIRSTY FOR CONNECTION

CONNECT VIA VIDEO

Using her 15 years in broadcast media, including on-camera work for brands like CNN, CNBC and HBO Asia, Simone shares how to connect and engage using video for conference calls and creating online content.

In this 20-minute webinar plus 10-minute Q and A, Simone shares how to:

- Create the least distracting environment for your video
- Connect deeply and memorably with colleagues and clients
- Lighting, backdrops, and video conference etiquette

HUMAN CONNECTION AND RESILIENCE

How is the Covid-19 crisis preparing us for future success? How can Human Connection make us more resilient in a crisis.

In this 20-minute webinar and 10-minute Q and A, Simone shares:

- Why human connection makes us more resilient on a physiological level
- Ways in which Covid-19 is raising our resilience for the future
- Why we need to tap into Human Connection during a crisis
